SIR,

Construction of a verandah in front of the Jumma
Masjid at Harihar.

I have the honor to state, in G.O. No. C.1618-21/Muz.218-29-2 dated
4-2-1930, an estimate for Rs. 4,245 was sanctioned for the reconstruction
of the above masjid and the work completed. The devotees have since
arranged among themselves to construct a verandah in front of the mas-
jid as per plan and estimate prepared by the Executive Engineer and
have collected materials worth Rs. 800 for the purpose.

2. The Deputy Commissioner proposes that the devotees may be per-
mitted to execute the work strictly in accordance with the plan prepar-
ed by the P.W.D., the entire cost being met by their contribution in
the shape of materials and labour.

3. As the estimate exceeds Rs. 1,000, I request that sanction of
Government may be accorded to the Deputy Commissioner's recommendation.

4. A copy of the Deputy Commissioner's letter together with the
connected file is enclosed for reference and return.

Enclosed with a draft G.O. approving.

I have the honor to be,

Sir,

Your most obedient servant,

The D.C. has advised for
having the work of the
establishment, both under
Muzrai Bazar, and here.

Advise are to be
obtained. Please

3) The question of waiting establishment, tools and plant charges arises only when the work is proposed to be entrusted to the D.P.W. In the present case, the execution of the work in question is recommended to be entrusted to the debaters (private agencies) in accordance with the plan and estimate prepared by the D.P.W. and the question of waiting the said charges, does not seem to arise. The M.C. also had not made a specific recommendation on the point apparently, for this ~~obvious~~ reason. Besides these charges have not been included in the estimate for Rs 1550/-.

Muzr

ed 6-3-36 from the Deputy Commissioner, Chitald
ssioner in Mysore.

Subject:- Constructing of a verandah in front of the Juma Masjid
at Harihar.

In forwarding herewith the file of correspondence ending with the Chitald
Drug Division Executive Engineer's Memo No. D.C. 197 dated the 2nd instant on
the above subject, I have the honor to state that the main building of the
masjid was constructed by the Public Works Department, the cost having been
met from the sources detailed in the margin (vide G.O. No. 1613-21/1uz. 213-29-
dated 1st/4th February 1930).

Rs 1,443- 1-10	from the amount contributed by the devotees.	} 2. The devotees of the Masjid have now come forward to erect a verandah in
" 1,500- 0- 0	" Flood Relief Fund at the credit of the Harihar Municipality.	
" 1,301-14- 2	" State and General Muzrai Fund grant for 1930-31.	
Rs 4,245- 0- 0	T o t a l.	

front of the main building. A regular estimate has been prepared and the
same has been scrutinised by the Executive Engineer for Rs 1,550. He is of
opinion that the work might be entrusted to the Public Works Department for
execution.

3. The masjid in question is a village Muzrai institution. It has, at its
credit, only a sum of Rs 31 in the Muzrai Funds. The devotees plead their in-
ability to deposit the estimated amount of the work. It is reported that
they have collected building materials of an approximate value of Rs 300 and
have promised to contribute the balance of the cost in cash, kind and labour.
1. Syed Abdul Gafoor Sab, the Khaji of Harihar, has taken up the responsibility
to have the proposed building erected according to the plan and estimate ap-
proved by Government and subject to the supervision of the Department of
Public Works officers. He has further agreed to deposit a sum of Rs 100
earnest money.

4. I request, in these circumstances, that sanction may kindly be recorded
to the estimate for Rs 1,550, the work being ~~estimated~~ ^{ordered} to be executed
by devotees of the institution under the supervision of the Department of Public
Works officers. In consideration of the facts that a major portion of the
cost of the main building was met out of the Government grant and that the
devotees are endeavouring to work out the present estimate solely by their
contributions, I beg to recommend that sanction of Government be kindly
obtained for giving the recovery of the establishment, tools and plant
charges, which amount to Rs 162-12-0 at 10% of the estimated cost.
